CAREER OVERVIEW

As a 4th-year IT student, I am deeply passionate about technology and committed to making meaningful contributions to the industry. My academic journey has provided me with a solid foundation in IT, and my curiosity drives me to explore emerging innovations and continuously expand my skill set. I am eager to learn new things and embrace challenges that push the boundaries of my knowledge. With a strong desire to grow and evolve, I am determined to play an active role in shaping the future of technology.

OBJECTIVES

To work in an atmosphere that is demanding, career-focused, and fosters both professional and personal development.

Professional Goals

Career Development

As I advance in my chosen fields, I hope to take on more strategic and leadership responsibilities and use my broad skill set and expertise to greatly enhance the performance of teams and projects.

Financial Stability

My objective is to create a strong financial base by steadily varying my sources of income via contract work, joint ventures, and portfolio projects. In order to fulfill my goals on both a personal and professional level, I aim for consistent financial progress.

Health and Wellness

I place a high value on maintaining a work-life balance that include regular breaks, exercise, and mindfulness exercises. Sustaining my physical and mental health is essential to my ability to remain creative and productive in a variety of work-related contexts.

Professional Goals

Added Skills

By keeping up with new tools and technology that are pertinent to my sectors, I am dedicated to always enhancing my skill set. I want to participate in conferences, workshops, and courses to guarantee my continued professional growth and flexibility.

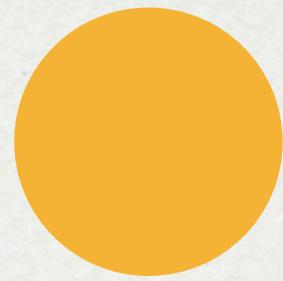

Community Engagement

I give my time and experience to projects, events, or mentorship programs in the communities that are pertinent to my portfolio career. My objectives are to cultivate relationships with colleagues, exchange perspectives, and aid in the expansion of the broader professional community.

Personal Satisfaction

My goal is to develop a portfolio career that is consistent with my interests and principles. I reevaluate my objectives on a regular basis to make sure that all of the many parts of my work portfolio add to my overall sense of fulfillment and happiness.

Sample Works

Hogme: Livestock Management (Web)

The sign-in page features a placeholder for a logo (a green pig icon) followed by the word "Hogme". Below it is the heading "Sign in". It includes fields for "E-mail" (example@gmail.com) and "Password" (with a visibility icon), a "Remember me" checkbox, a "Forgot Password?" link, and a large green "Sign in" button.

The mobile application interface shows a "Dashboard" screen with a green header and a "Tutorials" screen with a blue header. Both screens feature a grid of small images and text descriptions. The background of the app is white.

Hogme

Dashboard

Tutorials

The landing page has a dark green header with the "Hogme" logo. Below it is a large banner with two smartphones displaying the app's interface. The banner text reads "Efficient Livestock Management for a Prosperous Future". At the bottom, there is a welcome message: "Welcome to HOGME, the ultimate Livestock Management System for administrators. Our robust platform offers a comprehensive suite of tools and features designed to streamline the management of livestock, making your tasks easier and more efficient." Three circular logos are displayed at the bottom: "DEPARTMENT OF AGRICULTURE", "NATIONAL RICE RESEARCH INSTITUTE", and "TAGALAPAI".

Efficient Livestock Management for a Prosperous Future

Welcome to HOGME, the ultimate Livestock Management System for administrators. Our robust platform offers a comprehensive suite of tools and features designed to streamline the management of livestock, making your tasks easier and more efficient.

DEPARTMENT OF AGRICULTURE
NATIONAL RICE RESEARCH INSTITUTE
TAGALAPAI

The dashboard has a light gray header with a green logo and a three-line menu icon. Below the header are three cards: "Pending Application" (8), "Members" (59), and "Monthly Sales" (₱76,800.00). The main area contains three sections: "Recent Livestock Request", "Recent Orders", and "Users". The "Recent Livestock Request" table shows two entries: Ken Hood (2024-07-16, pending) and Kai Cee (2024-07-16, pending). The "Recent Orders" table is currently empty. The "Users" section includes a legend for member status: Total Member (green), Pending Member (light green), Approved Member (orange), Inactive (dark red), and Blocklisted (black). A donut chart visualizes the distribution of these statuses.
